- Offering 6 embryos by SAV Bismarck 5682, with option to take more
- Offering 7 embryos by N Bar Emulation EXT
- Consigned by Trowbridge Angus, Ghent, NY
- A CAN'T MISS OPPORTUNITY - A CAN'T MISS COW FAMILY.
- These embryos blend the calving ease, high muscle, high maternal sire SAV Bismarck 5682, or the pioneer sire of our breed today N Bar Emulation EXT, with the \$30,000 valued donor dam Basin Lucy 372R.
- Lucy 372R stems from the same family that produced the \$410,000 Basin Lucy 178E, who has made her mark as one of the all-time great high income-producing cows of the breed and has no equal in terms of producing growth, performance, and carcass genetics.
- Top selling females around the U.S. have been daughters of Basin Lucy 372R—sisters to these embryos.

**Basin Lucy 372R**

Dam of featured Lot X embryos selling.  
This family has shown no-holes production data.
